Age of vines	~ 25 years
Harvest	October
Fermentation	Open Fermentation Vat
Maturation	Austrian (Manhartsberg) Oak Cask (600 lt)
Bottling	September
Alcohol	13 % by Vol

ST. LAURENT Reserve - Ried (single vineyard, cru) Haide is planted on tertiary gravel derived from the Alps over millions of years. Good drainage, high altitude and good wind exposure is ideal for cultivating St. Laurent. The wine is matured in local oak casks (Manhartsberg) of 600 litres. The wine is only slightly filtered and may contain sediment.

Description: Deep expressions of juniper and sour cherry. Plenty of body and substance combined with freshness – pine forest tones and fine-grained tannins. Opulent and rich. Very well made.

SCHLOSS GOBELSBURG, a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.
