**LANGENLOIS** - Langenlois is the centre of the appellation Kamptal and is one of the historical and cultural centres of wine in Austria. The gentle hills around the historical city have rendered outstanding service to the glory of the appellation. Löss–Alpine material sedimented over the past 2 million years–is the fundamental component of this wine.

**DESCRIPTION:** Pear, sage, yeast and pepper on the nose bode well for a most savory wine. The palate comes in with juicy, ripe freshness, while some spritz accentuates the savoriness. This is easy but full-flavored with a dry finish.

**SCHLOSS GOBELSBURG**, a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.
