

SCHLOSS GOBELSBURG

WEINKULTURERBE ÖSTERREICHS

TROCKENBEERENAUSLESE Grüner Veltliner

Appellation	Niederösterreich
Soil	Loess, Gravel, Clay
Trainingsssystem	Guyot
Age of vines	~20-55 years
Harvest	End of Nov
Fermentation	Small Oak Cask (300 lt)
Maturation	Small Oak Cask (300 lt)
Bottling	September
Alcohol	7,5 % by Vol
Residual Sugar	357,1g/l

TROCKENBEERENAUSLESE GRÜNER VELTLINER - Sweet wine is one of the estate's specialities. Because of the Danube region's dry continental climate, large quantities of grapes infected with noble rot (*Botrytis*) is a rare occurrence indeed. But when there is *Botrytis* in sufficient quantities, we select the infected berries and bunches from the vineyards very carefully, and then separate the grapes in a second selection process for Auslese, Beerenauslese or Trockenbeerenauslese wines.

DESCRIPTION - Brilliant intense golden yellow colour, silver reflections. Delicate botrytis spice, smoky honey nuances, a hint of baked apple, develops well in the glass. Compact, dense texture, almost oily, with good acidity, yellow tropical fruit in the aftertaste, with good length.

SCHLOSS GOBELSBURG, a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.
