**HEILIGENSTEIN** - Ried (single vineyard, cru) Heiligenstein is interspersed with Riesling terraces and is a landmark of Langenlois. The „Zöbinger Perm“ is a unique geological structure based on sandstone, silt and arkose and organic sediments. Some parts of the Riesling terraces contain the oldest vineyards of the estate.

**Description:** Almost exotic fruit flair, practically leaps from the glass with pineapple and Williams pear, incredibly penetrating and fine-pored, spirited, indeed peppery; multilayered extracted sweetness, smooth texture and elegantly drawn, long very racy finish, an exemplary Riesling from the Kamptal with a long life to look forward to!

**SCHLOSS GOBELSBURG**, a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.

(1) Ried is the typical Austrian nomination of a single vineyard (cru)
