Harvest	31st of December 2015
Maturation	Small Oak Cask (300 lt)
Bottling	July 2016
Alcohol	7,5 % by Vol
Residual Sugar	279,0 g/l

**RIESLING TROCKENBEERENAUSLESE** - Sweet wine is one of the estate's specialities. Because of the Danube region's dry continental climate, large quantities of grapes infected with noble rot (Botrytis) is a rare occurrence indeed. But when there is Botrytis in sufficient quantities, we select the infected berries and bunches from the vineyards very carefully, and then separate the grapes in a second selection process for Auslese, Beerenauslese or Trockenbeerenauslese wines.

**Description:** Pine and resin, extremely concentrated, a bit of stewed apricots and muskmelon. Smooth oily texture; exceedingly complex with an array of fruit nuances from lychee to cumquat to peach punch. Rich and multi-faceted with a vibrant, invigorating fruit play. Plenty of meat and length. Requires a bit of patience.

**SCHLOSS GOBELSBURG** is the oldest winery in the Danube region with a documented history back to 1171. Since January 1996 the Château and winery is managed by family Michael Moosbrugger. The vineyards from the 35 ha estate are located on the slopes and terraces of the oldest vinyard sites around Langenlois. Nowadays the winemakers are interested in producing authentic and noble wines from different terroirs. The winery concentrates mainly on Grüner Veltliner and Riesling and in the selection of old authentic varieties.
