ST. LAURENT - Ried (single vineyard, cru) Haide is based on tertiary gravel derived from the Alps in the past millions of years. Sufficient drainage, high altitude und good wind exposure is ideal for cultivating St. Laurent. The wine is matured in regional oak casks (Manhartsberg) of 600 lt. The wine is only slightly filtered and could contain sediments.

Description: A spicy red with cloves, spicebox, slate, minerals, red cherries and cranberries. Medium-bodied with slightly tart acidity, velvety tannins and a fruity finish

SCHLOSS GOBELSBURG, a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.
