GAISBERG - Ried (single vineyard, cru) Gaisberg belongs to three villages (Kammern, Zöbing and Strass) and is situated just east of Heiligenstein. Geologically, this most eastern part of the Gföhler gneiss plate is marked by slaty para-gneiss, amphibolite and mica. Some parts of the Riesling terraces contain the oldest vineyards of the estate.

Description: Fully ripened apricot and a touch of lecithin, grapy and balanced, immediately gains depth; youthful and powerful, texture firm, then again yellow-fruit components, generally juicy and very fruity, remains on the palate, promising, spirited acidity on the finish, many points for popularity.

SCHLOSS GOBELSBURG, a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.

(1) Ried is the typical Austrian nomination of a single vineyard (cru)
