Bottling	March
Alcohol	12,0 % by Vol

**LÖSS** - ‚Loess‘ are the classical picture of the Danube valley. The soft formed hills around Langenlois remind of the beginning Waldviertel. Loess is a sandy soil – brought to the region by winds ten-thousands of years ago from the Alpin regions. This limy soil gives the Grüner Veltliner its classical structure of elegance and his unique character.

**Tasting Note:** Fresh apple fruit with tart spice, also nutty hints, very lively; slim, but juicy, very light fruit nuances, animating and clear a, nice balance, conveys pure drinking pleasure.

**SCHLOSS GOBELSBURG**, a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.
