DOMÆNE GOBELSBURG | Rosé

ORIGIN: The terraces and vineyards of the Kamptal valley are the epitome of being a cool climate region, like the Danube area is in general. The soft formed hills around Langenlois and Gobelsburg are a gateway to the Waldviertel area, defining the climate of our vineyards. The Zweigelt grapes for our ROSÉ Domaene Gobelsburg are harvested from vineyards where its too cool to grow profound reds.

CHARACTER: Fine fragrances and fruit nuances – wild cherry and fresh berries – make this ROSÉ Domaene Gobelsburg an ideal universal food accompaniment. Perfect for uncomplicated drinking in good company, it can be a refreshing thirst quencher but it also goes well with grilled food, barbeques or summerly salads.

WINE LIST DESCRIPTION: This ROSÉ is from the Austrian Danube region and somehow reflects the light and crispy Austrian style of wine drinking. It is a refreshing, animating aroma paired with an easy drinking structure.
