**CUVÉE BERTRAND** - Abbot father Bertrand Baumann used to be responsible for the winery between 1958 and 1980 and played a major part in the development of the winery. In his days he belonged to the leading winemakers of Austria. The wines from the library are still documenting this period. This cuvée of Pinot Noir, St. Laurent and Zweigelt is dedicated to the memory of his achievements.

**Description:** An animal edge at the beginning, but with air, the wine quickly opens and is very harmonious. Rich with fruit sweetness. On the palate, the vast proportion of Pinot presents a fine and smooth oily expression and ripe raspberry tone. Dense and lengthy.

**SCHLOSS GOBELSBURG**, a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.
