Bright yellow colour with green hue. Opulent nose with typical flavour, aroma reminiscent of ripe apricots, hints of peaches and candied lemon peel, discreet spiciness. On the palate quite rich with balancing acidity and good length.

Bright light golden colour. Quite exuberant nose with tropical fruit notes - pineapple, apricot, mint and herbs. Very powerful palate with abundant fruit, spicy and peppery notes, warm and ripe yet with a fine balance and sense of freshness on the finish, long and opulent finish.
