Markus Del Monego MW

Best Sommelier of the World 1998

Bright yellow colour with green hue. Crisp flavour on the nose, grapefruit peel, citrus fruit, ripe peaches. On the palate distinct minerality, well structured acidity and convincing balance, a Riesling with good length.

Best Sommelier of the World 2007

Pale straw colour. Pure nose displaying citrus with some stony and floral notes. The palate is bone dry with a juicy freshness, mouth watering acidity, rather cool fruit character and long refreshing finish, stylish.
